Dear Student and Parent/Guardian:

By federal law, a student’s Title IV financial aid funds may only cover certain charges on the student’s account automatically. The certain charges are tuition and fees and room and board (if the student contracts with the school). Federal law, however, does allow for extra charges for educationally related activities and services to be covered with authorization from the student. Extra charges include but are not limited to books and supplies, parking, and other miscellaneous costs.

Morehouse College administers these Title IV programs:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal College Work-Study
- Federal Direct Loan Program
  - Stafford Loans (Subsidized and Unsubsidized)
  - Parent PLUS Loan (For parents of dependent students)
- Federal Perkins Loan
- Federal Teacher Education Assistance for College and Higher Education Grant (TEACH Grant)
- Iraq and Afghanistan Service Grant

Since the Title IV Form is a working document (authorization for the management of financial aid funds) for the duration of the student’s undergraduate studies at the College, it should be completed by all first-time students, including non-recipients of federal financial aid for the current school year. The cash-paying student should also be reminded that this form serves as a general authorization for management of his excess financial resources.

As you know, the College operates on a 100% payment policy and requires a documented financial plan in the College’s computer covering the student’s total expenses. Adherence to the policy and formulation of a financial plan are prerequisites to confirmation of registration (official enrollment) and establishment of eligibility for book accounts, parking permits and off-campus meal plans. Inform the College as to how to manage your excess resources by completing, signing, and returning this document, “Morehouse College Title IV Financial Aid Authorization Form,” to the Student Accounts Office. The form may also be faxed to us at (404) 653-7740. Note: The student should give a response to each section on the form.

We look forward to hearing from you and/or your parent promptly. If you have questions, please do not hesitate to contact us by calling (404) 215-2654 or (404) 653-7768. Email us at studentfinancialservices@morehouse.edu. The Title IV Form may be downloaded from our web site, www.morehouse.edu/studentfinancialsvcs/index.html, by clicking on “Forms.” Since returning students already have a completed copy of this form on file, they only need to complete a second copy of this form if they wish to change their refund status and how the College manages their excess financial resources.

Sincerely,

Office of Student Financial Services

Title IV Letter: May 15, 2013
