Dear Future Man of Morehouse:

Congratulations on your acceptance to Morehouse College! You have just successfully completed a monumental objective in the process of making one of the most important decisions in your life: where you will attend college. We hope that you will decide to make Morehouse College your choice for this next stage of your educational pursuits.

For more than 145 years, Morehouse College has been and continues to be a shining example of excellence in its ability to educate men and produce global leaders. Our legacy is of developing men who have helped transform society and the world. We take pride in our long-standing tradition of producing men of high academic preparation, strong moral character and transformational leadership ability.

As you consider your college choices, one very important question you should ask yourself is what are the outcomes and opportunities that exist for me upon completion of my degree. Morehouse has a network of more than 12,000 alumni. We have produced some of the nation’s top physicians and Wall Street executives, as well as a Nobel Peace Prize winner who now has his likeness on the mall in Washington, D.C. The College is also one of only two historically black colleges and universities to produce three Rhodes scholars. Our graduates continue their education at some of the top graduate and professional schools in the nation, such as Harvard, Yale, Duke and Stanford. Others enter the workforce at many of the world’s leading employers, such as Microsoft, Coca-Cola, Google and Goldman Sachs.

We hope that you and your family will take the opportunity to tour Morehouse so that you can fully engage the campus community, personally experience the brotherhood, and see what being a student at Morehouse is all about. We are confident that Morehouse College will exceed your expectations.

We want you to attend Morehouse because we know that it will change your life and give you an experience that you cannot get at any other college in the world. We want you to become a man of Morehouse!

Please visit our website at www.morehouse.edu or contact the Office of Admissions at (404) 215-2632 to ask any questions you may have. We are here to help in any way we can.

I look forward to welcoming you to Morehouse College!

Sincerely,

Darryl D. Isom ’93

Applying for housing at Morehouse College is a simple process. The following steps will ensure that you get the most out of TigerDEN, which is designed to give you the most freedom in selecting a Learning Community and a roommate. Please follow the instructions closely.

HOW TO SELECT A LEARNING COMMUNITY
Morehouse College Learning Communities are aligned with the College’s mission to create an environment where men of Morehouse are expected to master a designated set of skills and competencies related to what they learn inside the classroom. These are entire residence houses where students request to live near others who share a particular interest in academics, social and cultural issues and/or activities. These communities help students create a strong link between their lives in the residence hall and learning experiences in the classroom, and provide an environment that is conducive to building a strong, cohesive peer support system that will serve them throughout their academic and professional careers.

Residents have access to special resources, programs and activities—such as freshman orientation, seminars, lectures, service learning, tutors, mentoring programs and much more. Incoming students have the opportunity to become a member of a Learning Community by researching and selecting top four choices before completing the application.

HOW TO APPLY FOR HOUSING VIA TigerDEN
1. Research your top four Learning Community choices on www.morehouseohrl.com
2. Log on to My Portal (TigerNet) and click the “Housing & Residential Education” tab.
3. Click on the “TigerDEN Housing Application” link. You will be taken to a new webpage.
4. Once on the TigerDEN page, click the “Application” link located in the upper left section of the page.
5. Select Term: Select the term you are applying for.
6. Personal and Contact Details: Most contact information will be pre-populated; however, you will need to add your preferred email address, as well as your emergency contact information.
7. Profile: Use these questions to help select your roommate.
8. Roommate manage/search/matching: If you have a roommate, you can use his M# to send him a request. Once he confirms the request, you will be paired together. If you do not have a roommate, you can search the database for students with matching profiles. If you do not select and confirm a roommate, you will be matched based on your profile answers.
9. Application agreement, terms and conditions: Be sure to read this page because it contains important information regarding your living experience in a residential house.
10. Application status: You can visit this page again to view your room and roommate assignments.

STUDENT CREED

The community of scholars at Morehouse College is dedicated to personal and academic excellence.

Choosing to live in the community obligates each member to code of civilized behavior. Allegiance to these ideals requires each Morehouse student to refrain from and discourage behaviors which threaten the freedom and respect every individual deserves.

As a Morehouse Student, ____________________________________________

(PRINT NAME)

I will practice personal and academic integrity.

I will respect the rights and property of others.

I will discourage bigotry, while striving to learn from differences in people, ideas and opinions.

I will demonstrate concern for others, their feelings, and their needs for conditions that support their work and development.

I certify that I have read the above creed and will conduct myself according to its standards.

If you wish to participate in athletics during your freshman year at Morehouse College, follow the steps below to ensure your eligibility:

1. While in high school, register with the NCAA Eligibility Center online at www.eligibilitycenter.org and pay a $75 fee. You will be given a 10-digit NCAA ID number, which you should forward as soon as possible to:

   Milton L. Roy III  
   Associate Athletics Director for Compliance and Internal Ops  
   Morehouse College  
   830 Westview Drive S.W.  
   Atlanta, GA 30314-3773

   You also will need to indicate which sport(s) you wish to participate in.

2. Make sure that ALL previous high schools you attended send transcripts to the NCAA Eligibility Center.

3. Submit standardized test scores (SAT or ACT) to the NCAA Eligibility Center using the four-digit Morehouse College institution code 9999.

4. After graduation from high school, send a final transcript with proof of graduation to the NCAA Eligibility Center.

After all information has been received by the Eligibility Center, the NCAA will determine initial eligibility.

If you would like to participate in fall sports such as football and cross country, this eligibility process must be completed during the summer before you enter Morehouse College at the latest, and it must be done with the assistance of your high school.

Morehouse can check to see if the required forms have been received by the Eligibility Center, but the high school registrar and the standardized test company (College Board) must send the information on your behalf to the Eligibility Center. Morehouse does not have control of this process.

If you do not register with the NCAA Eligibility Center, you will not be able to participate in any official NCAA athletic activity or receive any athletic-related financial aid at Morehouse.

Please contact Milton L. Roy III at Milton.Roy@morehouse.edu with any questions relating to the eligibility process.

The Pre-Entrance Health Record is required before you are allowed to move in to campus housing or enroll at Morehouse College. The student, your parent/guardian and your doctor must complete this Pre-Entrance Health Record.

- Failure to provide important medical information could result in unnecessary lab tests or screenings.
- Incomplete pages and responses will result in the booklet being returned to you.

Please make copies of the completed Pre-Entrance Health Record for your records and mail the originals.
Student Health Insurance

Morehouse College requires all degree-seeking students to have health insurance or purchase the College sponsored plan. All students are charged for the college-sponsored plan up front, however you may elect to waive or opt out of this plan.

In order to “opt out of enrollment” in the college sponsored plan, students and families must provide evidence of current enrollment in a health insurance plan licensed to do business in the United States, with a claims payment office with a U.S. phone number and offers an Annual Maximum comparable to the student health insurance offered by the college.

This coverage includes medical and mental health care, within the Atlanta area, that extends beyond emergency-only coverage and covers pre-existing conditions as well as prescription drugs.

If you do not wish to purchase the college sponsored plan, you must opt out or waive the plan by the deadline of July 30, for fall enrollment and December 20 for spring enrollment.

If your request to waive or opt out is declined, you will receive notification through the email address you used to complete the waiver along with instructions to appeal by printing the “Appeal/Insurance Verification” form and submitting this to your insurance carrier.

Failure to opt out or waive the college sponsored student health insurance plan will result in this fee being added to the student’s account. If you wish to enroll in the college-sponsored plan, do nothing; the fees will be added to your account!

ACADEMIC PROGRAMS
Morehouse operates under the semester system offering the Bachelor of Arts and Bachelor of Science degrees. The College offers 26 majors in three academic divisions: Humanities and Social Sciences, Science and Mathematics, and Business Administration and Economics, and a dual-degree program in engineering with the Georgia Institute of Technology.

SPECIAL PROGRAMS
Special programs include Phi Beta Kappa, Honors, Study Abroad, The Andrew Young Center for Global Leadership, and Research Careers. The College also houses the Morehouse Research Institute, The Morehouse Male Initiative and Challenge: A Journal of Research on African American Men.

AFFILIATIONS
Morehouse is a member of the Georgia Research Alliance, the Associated Colleges of the South, and the Atlanta University Center, a consortium of four historically black institutions, including Clark Atlanta University, Morehouse School of Medicine and Spelman College.

ACCREDITATION
Morehouse is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award baccalaureate degrees. Morehouse is one of four historically black colleges and universities, and one of four undergraduate institutions in Georgia, with a Phi Beta Kappa National Honor Society chapter. The College also is one of only four liberal arts colleges in the nation with accreditation from both the International Association for Management Education and a Phi Beta Kappa chapter.

DESCRIPTION
Founded in 1867 as the Augusta Institute in Augusta, Georgia, Morehouse College is the nation’s largest liberal arts college for men. Morehouse graduates approximately 500 students each year, historically conferring bachelor’s degrees on more African American men than any other college or university in the United States. The 66-acre campus is located just three miles southwest of downtown Atlanta.

MISSION
The mission of Morehouse College is to develop men with disciplined minds who will lead lives of leadership and service. A private historically black liberal arts college for men, Morehouse realizes this mission by emphasizing the intellectual and character development of its students. In addition, the College assumes special responsibility for teaching the history and culture of black people.

PRESIDENT
John Silvanus Wilson Jr. ’79 is the 11th president of Morehouse College. He is the former executive director of the White House Initiative on Historically Black Colleges and Universities. Before working with the White House Initiative, Wilson was an associate professor of higher education in the Graduate School of Education and an executive dean at The George Washington University. He also spent 16 years at the Massachusetts Institute of Technology, where he served as director of foundation relations and assistant provost.

ENROLLMENT
With an enrollment of approximately 2,100, the student body represents more than 44 states and U.S. territories and 15 foreign countries.

FACULTY
160 full-time; 46 part-time; 100% of tenured and tenure-track faculty holds terminal degrees.

ATHLETICS
Morehouse is a member of the Southern Intercollegiate Athletic Conference (SIAC) and the National Collegiate Athletic Association (NCAA), Division II. Varsity letter sports include football, basketball, baseball, tennis, golf, cross country and track and field.
