Student Health Insurance

Morehouse College requires all degree-seeking students to have health insurance or purchase the College sponsored plan. All students are charged for the college-sponsored plan up front, however you may elect to waive or opt out of this plan.

In order to **"opt out of enrollment"** in the college sponsored plan, students and families must provide evidence of current enrollment in a health insurance plan licensed to do business in the United States, with a claims payment office with a U.S. phone number and offers an Annual Maximum comparable to the student health insurance offered by the college.

This coverage includes medical and mental health care, within the Atlanta area, that extends beyond **emergency-only** coverage and covers pre-existing conditions as well as prescription drugs.

If you do not wish to purchase the college sponsored plan, you **must opt out or waive the plan by** the deadline of **September 6th for fall enrollment** and **December 20th for spring enrollment**.

If your request to waive or opt out is declined, you will receive notification through the email address you used to complete the waiver along with instructions to appeal by printing the "**Appeal/Insurance Verification**" form and submitting this to your insurance carrier.

Failure to opt out or waive the college sponsored student health insurance plan will result in a fee being added to the student's account. If you wish to enroll in the college-sponsored plan, do nothing; the fee will be added to your account!
