

Thank you for your interest in Morehouse College. One important element of the admissions process is a mandatory student interview. We would like to provide you with an option to satisfy your interview requirement through video. Morehouse College is excited to partner with ZeeMee, a free mobile app that allows applicants to respond to Morehouse interview questions through short videos. To use the video option, you'll first need to download the free ZeeMee app for iOS or Android. After setting up your account, go to the 'My Story' tab, and record your answers to the following interview questions:

- **What person(s) in your high school do you admire most for their character? How would you measure your own character against this person(s)?**
- **What are your academic and personal development goals for your undergraduate education?**
- **Share about a time when you faced a particularly difficult personal challenge. Describe how you handled it.**
Share about a time you held a leadership role. Explain what you learned about yourself and others in this experience.
- **What else of importance should Morehouse College know about you?**

ANSWER THE QUESTIONS ABOVE - PLEASE DO NOT ANSWER THE ZEEMEE QUESTIONS

ZeeMee videos can be no more than 26 seconds long, so if you need more time to answer a particular question, you may break up your response into multiple videos. The total length of ALL video answers should not be longer than 7 minutes, or a total of 16 videos. You'll have the option to make your ZeeMee account private or keep it public; either way, the admissions team will be able to see your videos and review them along with your other application materials. Once you've responded to the questions, all you need to do is paste your ZeeMee link in https://morehousecollege.formstack.com/forms/admission_interview. Remember to answer only the questions above.

If you need help, please contact ZeeMee Support Services in the app, and submit a message with your question. All questions will be answered within 1 business day. To help you with this process, we have provided you below with examples of acceptable interview video submissions:
